Michigan State University

Graduate Certificate Program in Secondary Education
Bachelor of Science in Mathematics, Honors College
Alumni Distinguished Scholarship Recipient (Full tuition)

April 2018
May 2017

Work Experience

Math and Physics Teacher Richards Career Academy High School 2018 - 2019

- Utilized behavior, attendance, and academic information to respond to competency gaps caused by students' lack of knowledge and skills
- Designed instructional experiences that enabled students to fulfill specific, measurable learning goals
- Provided consistent feedback to students on their progress toward learning objectives
- Prepared classroom space to accommodate a variety of learning modalities and maximize learner engagement
- Built and maintained a strong partnership with a co-teacher and Diverse Learners department to ensure that lessons were appropriately modified for students with special needs and English language learners

Teaching Intern Air Force Academy High School 2017 - 2018

- Completed a full year, post-graduate student teaching experience in Pre-Calculus classes
- Analyzed trends in school SAT scores and prepared summary reports for use in school evaluations as a member of the Data Team
- Developed SAT-focused curriculum objectives based on standardized assessment data, leading to an average Math Section score increase of 40 points in eleven weeks. This growth exceeded school and district averages.

Leadership Roles

Kappa Kappa Psi, National Honorary Band Service Fraternity 2013 - Present

National Ritual Performance and Education Committee, 2017-2019

- Created a curriculum of self-paced activities and discussions, for use by college students to reflect and build understanding of the fraternity's organizational values
- Facilitates continuous learning experiences for groups of up to 100 student members at conventions

Curriculum Advisor, 2017-2019

- Coached student leaders from seven collegiate chapters on implementing new national standards for member education, creating curriculum timelines, and engaging membership candidates

Spartan Marching Band Fall 2013 - Fall 2016

- Mellophone Squad Leader

Licensure

Illinois Professional Educator License August 2018

Michigan Secondary Standard Certification May 2018
